Dear Parents,

In order for students to be successful in school, they must have the proper supplies to facilitate learning. Please review our recommended list of school supplies which are grouped by grade level and program (Discovery and EBD) for students to utilize. All students are encouraged to bring a personal water bottle and wipes for individual use. Don't forget to visit our website at wpelem.net on a regular basis to view updates, upcoming events, and important dates. Thank you for making certain your child is prepared to learn.

Sincerely,

Tamela Brown, Principal
