

June 27, 2024

Dear Parents and Guardians,

As we embark on another exciting academic year, we want to ensure all students have the necessary supplies to facilitate a productive and engaging learning experience. To achieve this, we kindly request your support in providing the following items for your child:

1. **School Supplies:** Basic supplies such as notebooks, pens, pencils, erasers, rulers, and any other items listed on your child's specific grade-level/program supply list. These tools are essential for daily classroom activities and homework.
2. **Personal Water Bottle:** Staying hydrated is crucial for maintaining focus and energy throughout the day. We encourage each student to bring a personal water bottle to school to minimize disruptions and promote a healthy habit of drinking water regularly.
3. **Individual Wipes:** Personal hygiene is more important than ever. Providing your child with a pack of individual wipes will help them maintain cleanliness.
4. **Laptop:** In our effort to integrate technology into everyday learning, we strongly encourage students to bring their own laptop to school each day. This will allow them to seamlessly participate in digital learning activities and assignments. For those who do not have access to a personal laptop, WPE offers laptops available for checkout to ensure every student has the tools they need to succeed.

We appreciate your cooperation and support in providing these essential items for your child. Ensuring that students come to school prepared not only enhances their learning experience, but also fosters a sense of responsibility and independence.

Thank you for your continued partnership in your child's education. Should you have any questions or need assistance, please do not hesitate to contact us.

Sincerely,

Tamela Brown, Principal
Whispering Pines Elementary School
